

## Community Council Minutes

5/21/15

Trust lands funds for the 2015/16 school year will be \$21,761. Budget, as outlined in the SIP, was discussed.

Mr. Hammer will send out a message to all parents at Tolaman Elementary explaining community council and asking them to contact him if they are interested in being on the council.

It was proposed that we change the meeting time, for next year, to 8:00 AM. The council all agreed.
